Thanks Steve. I think the one response in this batch I would like you to look at is the very last paragraph of the document on Ex. 5 AC/DP I highlighted the relevant summary section and paragraph of the response.

Thanks. Alexis – I'm happy to take a look at certain parts that you think are the important pages from a legal perspective, even if you think it's in good shape, to understand what commenters have raised. Thanks.

Steve,

You'll be getting a lot of documents in the next few days. I told the Florida team not to wait to hear from you if you don't send comments, and Kathy said the same goes for John.

Just wanted to flag, though, that this email includes the ESA RTC, which is the one section you said you might review, in case you wanted to do so. Alexis worked hard on this one, I believe.
